

Codice: TRRNORM Maiori

The restaurant is located in a 13th century Norman tower above a promontory that is surrounded on three sides by the Mediterranean Sea. The magical and spectacular view on the Amalfi Coast provide the perfect setting for a special occasion.

Our extensive menu from starters to desserts is designed to present a multitude of delicious dishes that delight and satisfy.

The restaurant can host from small romantic dinner for two to a wedding celebration. Ulysses' table on the rocks, surrounded by the sea, is our exclusive romantic hideaway for two.

Our stunning Bellavista Terrace gives you a spectacular view on the Amalfi Coast. Small tables romantically set in the covered open-air are perfect for intimate getaways, and can also be combined to suit larger parties. We are delighted to offer this special venue in the spring and summer months when the weather allows.
