The Hotel plunged into the untouched nature of the Cilento and Vallo di Diano National Park, declared by UNESCO "World Heritage Site".

The property features 35 rooms, 11 of which are located on the 1st and 2nd floor of the main entrance. Some of the rooms, most with 3rd and 4th bed, have a large front patio overlooking the garden, others are in the pool. Air conditioning from June, 1st to August, 31st.

The restaurant offers a "Mediterranean" cuisine and a good selection of local Cilento typical dishes as well the traditional regional Italian recipes, all prepared using fresh and seasonal ingredients as buffalo mozzarella, local fish, meat and vegetables. A big buffet breakfast is served the morning on the scenic terrace overlooking the swimming pool.
